PROJECTS:

Fitness Web App | Live

- Developed an interactive fitness website using **React**, **Bootstrap**, and **Material-UI**, providing users with a comprehensive exercise guide categorized by body parts and fitness goals.
- Integrated **GIF demonstrations** for each exercise, enhancing user understanding of proper form and movement techniques. Incorporated embedded **YouTube videos** to offer detailed video tutorials, accommodating diverse learning preferences.
- Relevant Skills: **React**, **Bootstrap**, **Material-UI**, **Frontend Development**, **Responsive Design**, **UI Design**.

News Web App | Live

- Developed a user-friendly news web app using **React.js**, that displays news articles from **News API**.
- Implemented categorized news sections for topics like politics, technology, and sports, enabling users to access news relevant to their interests.
- Relevant Skills: **React**, **News API**, **Bootstrap**, **Frontend Development**, **UI Design**, **Data Presentation**.

Text to Image Generator Web App | Live

- Developed a user-friendly web application enabling users to generate images from text using **React** and the **Hugging Face API**.
- Added image download functionality, allowing users to save generated images to their local devices.
- Relevant Skills: **React**, **Hugging Face API**, **CSS**, **Bootstrap**.

Web Code Editor | Live

- Developed a user-friendly web-based code editor enabling users to write and edit HTML, CSS, and JavaScript code directly in the browser.
- Provided separate sections for HTML, CSS, and JS code, allowing users to work on each language independently.
- Relevant Skills: **HTML**, **CSS**, **JavaScript**, **Frontend Development**, **User Interface Design**.

POSITIONS OF RESPONSIBILITY:

Vice President | Cultural Club, UEMJ

March, 2022 – March, 2023

- Collaborated with a team of 10 club members to organize cultural events, and performances on campus.
- Demonstrated strong leadership and communication skills in conducting meetings and delegating tasks to ensure the smooth execution of events.
- Successfully organized the university's annual cultural festival, attracting over 1,000 attendees and receiving positive feedback from both students and faculty.

Coordinator | Coding Club, UEMJ

March, 2022 – March, 2023

- Managed a group of 10 coding enthusiasts, organizing weekly coding workshops and activities.
- Successfully coordinated 10+ coding competitions program in university, attracting over 500+ attendees and receiving positive feedback from both students and faculty.
